24 EXPLANATION

25 The inclusion of this explanation does not constitute agreement with
26 the explanation's substance by the members of the general assembly.

27 This bill makes changes relating to certain incentives for
28 school district reorganization or dissolution, and strikes
29 obsolete language relating to supplementary weighting for
30 students attending classes in a regional academy.

31 The bill provides for a reduced uniform levy as an incentive
32 for school districts that reorganized prior to July 1, 2015,
33 allowing school districts to utilize the incentive if they
34 reorganize on or before July 1, 2019. Obsolete language,
35 providing for a reduced uniform levy or reorganization or

1 dissolution that took effect between July 1, 2002, and July 1,
2 2006, is stricken.

3 The bill also allows school districts that execute a whole
4 grade sharing agreement and adopt a resolution to study the
5 effect of undergoing a reorganization or dissolution to take
6 effect on or before July 1, 2019, to receive a weighting of
7 one-tenth of a percentage of a student's school day during
8 which the student attends classes in another district, is
9 taught by a teacher jointly employed, or attends classes taught
10 by a teacher employed by another district. This supplementary
11 weighting is available for not more than five years, beginning
12 with the year in which the reorganization or dissolution takes
13 effect.

14 The reorganized district, or the receiving district in
15 the case of a dissolution, has the option of receiving the
16 supplementary weighting equally over five budget years or in
17 the budget year in which the reorganization dissolution takes
18 effect.

19 The bill repeals a provision that provides for supplementary
20 weighting funding for three years for a reorganized school
21 district in an amount that is equal to the funding that it
22 received in the year preceding the effective date of its
23 reorganization.
